Year 6 - What your child will be learning about in Autumn 1 2026

Dear Parents and Carers,

It is a pleasure to welcome Year 6 to their final year of primary school! It's a busy and important one too, as we work towards our SATs in May. There's plenty to dive into before that though with a curriculum that explores some fascinating topics with enrichment opportunities all the way through the year. This year, homework will be set on 'SATs Companion' a website for which all the pupils will be provided a login. It will be set on a Friday, due by the following Friday. One of the most important things pupils can do is to keep reading regularly and practising their times tables!

Thank you and kind regards, The Year 6 Team.
