

Governors

West Norfolk Academies Trust is a successful multi-academy trust supporting and challenging a group of primary and secondary schools to provide an excellent education for the young people of West Norfolk.

Our schools work together to ensure maximum benefit for all students through economies of scale and shared resources, at the same time maintaining each school's unique identity and ethos.

The Trust works in a supportive partnership with Primary and Secondary schools with each school maintaining their unique identity and ethos.

In order to ensure the schools, continue to offer the very best education and opportunities to the students and staff, the Trust is always interested to hear from those who are interested in becoming Governors. Governors are essential for the effectiveness and success of the schools.

Governors come from a range of different backgrounds, but all share a common interest of wanting the best possible education for young people in this area.

If you have a passion for improving the life chances of children and can offer supportive challenge to the leadership of West Norfolk Academies Schools to help us to fulfil our vision, please let us know either by completing the 'Become a Governor form'

Or by contacting the Clerk to Governors on 01553 600842

West Norfolk Academies Trust website is also a useful reference for further information, and provides links to all the schools within the Trust.
