Dear Families,

We have enjoyed a busy start to the Summer Term with plenty of great learning taking place indoors and outdoors through our curriculum offer at school. Our pupils remain happy, energetic, well behaved and continue to learn well. Everyone has welcomed our new teaching assistant Harriette Pateman to our team who works with Year 4 to support learning in Avocet Class. Our Upper KS2 pupils have also just returned from an incredible residential experience at Kingswood, making the teachers very, very proud. Some of the activities they completed included, climbing wall, archery and den building. Some fantastic memories and experiences to cherish.

Our Y6 pupils have just completed the assessments set by the government in May called SATS - the staff and pupils worked so hard to undertake these tests and we are very proud of them all. They received their leaver's hoodies at the end of SATS week and they look fantastic! Other assessments taking place after half term are the Y4 Multiplication checks. Don't forget to practice at home over half term! You will receive reports at the end of this year with a summary of achievement in the statutory assessments in Y4 and Y6. Year 6 went along to the fire station in King's Lynn for Crucial Crew; a joint initiative between 3 rotary clubs at which primary school pupils learn about a wide range of health and safety topics. Across the school, pupils have participated in tournaments including tri-golf (hosted by the school) and cricket. Pupils continue to benefit from weekly swimming lessons too! Our local Co-op also visited the school to deliver an informative lesson to Y3 and Y5 on healthy living. The children were given some valuable advice on the importance of a balanced diet and making healthy choices.

Finally, if you have any concerns about the progress your child is making at school please speak to the SEND team, Teresa Menday and Emma Radford by emailing the office. Enjoy the half term and Jubilee celebrations!

## Our Learning

### Year 3 – Oystercatcher

This half term we have been exploring 'Light' in Science and have had great fun through investigation - refracting light through prisms to make rainbows, exploring reflection and looking at how we can change the size of shadows. In History we have been learning about the War of the Roses, developing our own opinion of what we think really happened to the two Princes in the Tower. Whilst our Geography topic has taken us to East Asia, learning all about the 'Land of the Rising Sun'. In English our class texts 'Dear Greenpeace' and 'There's a Rang-tan in my Bedroom' have not only developed the children's explanation text skills but inspired minds in helping the environment. Maths has seen Oystercatchers move on from fractions to time and as the sun is shining our Friday PE lessons involve developing and improving our tennis skills, whilst the children on Wednesday's are making a splash in the pool starting their first swimming lessons!

### Year 4 – Avocet

Avocets have loved History and English this half term, learning about the Great Plague and the Great Fire of London. We have been investigating electrical circuits in Science and predicting which materials were conductors or insulators. In Art, we have made our own looms out of cardboard and weaved ribbons and wool into our designed tapestries. Next half term in Design and Technology, we are going to make our own night light using all our knowledge from Science about Electrical circuits. In Science, we are going to explore astronomy and the universe beyond earth.

### Year 5 – Albatross

We have had a fabulous half-term in Albatross. We have worked really hard and learnt so much! In English we loved reading the book Floodland and used it to inspire some fabulous recount writing. We have been learning all about New Zealand in geography, including what the islands are like and some of traditions of the Maori people. Did you know that they greet each other by touching foreheads and noses together?! We studied the Industrial Revolution, learning all about the invention of steam power and Stephenson's Rocket – such an amazing invention that changed the world! Our PE lessons have focused on gymnastics and cricket, giving us all a chance to show off our amazing flexibility in gymnastics, and our throwing, catching, bowling and batting skills in cricket. Finally, we have been learning how to use and make cranks and cams so that we can make some moving toys in DT. We began by making some prototype toys and are very close to finishing the final versions. We will have a fantastic array of colourful moving animals to show off soon!

Love of learning, bright futures, happy memories!

## Our Learning (cont'd)

### Year 6 – Royal Tern

Wow! What a half term! Royal terns have worked so hard during SATs week. They enjoyed wonderful breakfasts each morning which gave them the brain fuel to do the very best they could during the assessments. 'Funday Friday' was also a wonderful way to end the week. We have also enjoyed more fascinating units of work across the curriculum. In Art we have been studying the Pre-Raphaelite Brotherhood and recreated paintings such as 'Ophelia' and 'Light of the World.' This genre of painting was when art became 'HD' and we looked at the incredible detail of these works of art. In Geography we have studied Britain and discussed important issues such as climate change, air pollution and litter. We have become experts on the human body after looking at the different systems in Science such as our nervous system, circulatory system, muscular system and digestive system. Royal Terns have also developed an incredible understanding of the Cold War in history and we have linked this to the current situation in Ukraine. They have blown me away with their understanding of communism and capitalism and different elements that made up the Cold War; the arms race, proxy wars and space race. We also had a great trip to 'Crucial Crew' where we learnt how to keep ourselves safe. Finally, we have finished this half term with an amazing residential trip to Kingswood and those that didn't attend completed fun projects with Mrs Nurse – they built their own theatre and working puppets!

### Drawing Club – Mrs Tilbrook

What a fantastic group of artists! Drawing club has had a great turn out and we have started this half term with a Posy drawing competition for the platinum Jubilee – 'A Posy Fit For The Queen'. I have added some of the children at work and what wonderful outcomes we have!

### Cookery Club – Miss Roper

Oystercatchers can be seen below enjoying a healthy cookery club with Miss Roper. Fruit kebabs were on the menu, a good way to eat your five a day. The children chose the fruits they liked and also made some for their families, the end results looked very colourful and appetising. The children were a wonderful group to work with.

### Singing Club – Mrs Bridge

We have grown in numbers this term and now cover all year groups! They are making a lovely sound and began this half-term with a performance in assembly – I was especially proud of the new members of the group who performed after only one rehearsal. We are working on a few new songs that we hope to perform to Parents on 26<sup>th</sup> May.

## **Coronavirus (COVID-19)**

While you're no longer required by law to self-isolate if you have COVID-19, the Government still recommends that you stay at home for at least 5 days until you have 2 negative LFT and avoid contact with other people. This helps reduce the chance of passing it on to others.

The school continues to encourage thorough hand washing and follows the guidelines laid out by Public Health England for schools.

## Let's Celebrate!

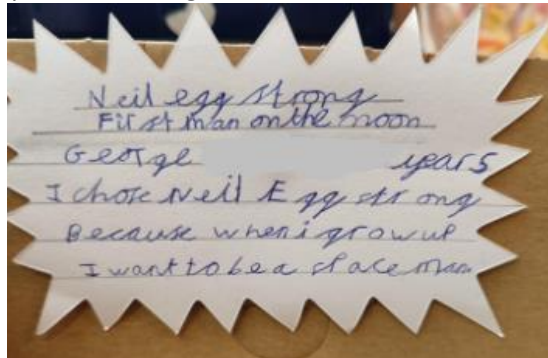

### Tri-Golf Festival 28/4/22

Heacham Junior were the hosts of the Cluster Tri-Golf Festival for Y1 to Y4. Year 5 Albatross were Leaders, welcoming the other schools and assisting where needed. Our two teams and the Leaders are shown below:

### WNAT Decorated Egg Competition

We had a lovely decorated egg from George Y5 for the Trust competition. George will receive a £20 voucher.

We would like to thank *Moulam and Horn* for kindly donating plants for our planters outside the Reception and in the Courtyard. The children did a great job planting them up. Thank you.

## Fundraising

Thank you for continuing to support our chosen charities by joining in with donations and dress-up days. So far in the last 12 months we have raised **£750.00** for charity:

£182.00	Hello Yellow for Young Minds 8/10/21
£145.50	Children In Need 19/11/21
£132.00	Xmas Jumper Day for Save the Children 10/12/21
£ 79.00	Children's Mental Health Week for Place2B 11/2/22

**£750.00**      **Total raised for Charity since September 2021.**

If you have a matter you wish to discuss with our Headteacher Ms Jackson, or our Deputy Head, Mrs Hunt, please make an appointment with Mrs Bridge in the school office and we will be very happy to chat to you. We want everyone to feel welcome in our school and also to ensure that the children's safety, learning and happiness are always our priority. ☺

**Love of learning, bright futures, happy memories!**

## **Vouchers for Free School Meal Eligible Pupils - April to October 2022**

Norfolk County Council has released details of its new Norfolk Cost of Living Support Scheme, to support families in need. This includes a monthly voucher award for children eligible for means-tested free school meals (FSM).

We have issued the FSM vouchers for April - August. Dates they can be redeemed are 20/5, 17/6, 15/7 and 12/8.

They are no longer linked to school holidays but being issued monthly. Parents can choose to save them up so they have more in the holidays if they wish but they must redeem them within the three month expiry date. If the vouchers expire they cannot be reissued.

There will be some more in September and October.

**Families in hardship and needing wider support** In addition to the offer of FSM vouchers for eligible families, there is support available for families who are facing hardship and need support. Anyone experiencing hardship may be able to receive support through the Norfolk Assistance Scheme (NAS), which may be able to provide support for food, fuel, clothes and other essential household items to families experiencing hardship. Families may get in touch with NAS via their website which includes an online application form, or they can call **0344 800 8020**.

<https://www.norfolk.gov.uk/care-support-and-health/support-for-living-independently/money-and-benefits/norfolk-assistance-scheme>

## **Have your circumstances changed recently? You may be eligible for Free School Meals.**

The school receives funding for each child who comes under Pupil Premium (including free school meals), so it is worth applying even if you don't have school meals!! You can apply online

<https://fiso.norfolk.gov.uk/synergy/Enquiries/Citizen/FreeSchoolMeals.aspx/>

<https://www.norfolk.gov.uk/education-and-learning/schools/school-meals-and-milk?fbclid=IwAR181hWbnsrWnVeC-KZ31j-HfjFmGLwKL7zsv9QVbkEfY1uKETvz0cDSIcQ>

Don't forget to let us know if any of your contact numbers or addresses change during the holidays. Please inform Denise Bridge in the office, ([office@heachamjunior.co.uk](mailto:office@heachamjunior.co.uk)) if your emergency contact information changes or if either parent moves house or changes phone numbers. It is very important that we are able to contact someone in case of an emergency.

## **What could you do to help improve your child's educational experiences?**

If you have ideas, or would like to help in any way, please get in contact and join the PTA team!

We need parents to join our existing team bringing new ideas for fundraising events. If interested please email [Kelly.hall.1@talktalk.net](mailto:Kelly.hall.1@talktalk.net). Our next meeting will be on 1<sup>st</sup> July in school.

It isn't a big commitment – you can do as much or as little as you want!

Kelly Hall, Chair of the Friends of Heacham Junior School (PTA)

**READING CHALLENGE** The reading leaders launched a book competition just before half term. Have you started yet? There will be prizes in the summer term (closing date 1/7/22) for those who have managed to complete the grid! Good luck!

### **JUNIOR LEADERSHIP TEAM (JLT)**

Mrs Taylor and the JLT have been working on our **Equality and Diversity Pledge**  
They decided on an acrostic version and each year group were given two letters each to work on:

**H** - Heacham Junior School's Equality & Diversity Pledge (All)

**J** - Justice for all students (Yr 6)

**S** - Skin makes no difference (Yr 6)

**P** - Prejudice will not be tolerated (Yr 5)

**L** - Let everyone have equal rights (Yr 5)

**E** - Everyone should be respected and treated equally (Yr 4)

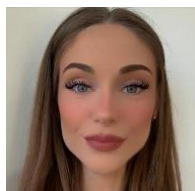

**D** - Differences are important and should be respected (Yr 4)

**G** - Grow together (Yr 3)

**E** - Everyone is always welcome (Yr 3)

The JLT is made up of 8 children (2 per year group) and meet regularly with Mrs Taylor, they plan and circulate their own Agenda and take turns to chair the meeting and take minutes. Being a member of the JLT also involves being a confident and conscientious member of our school combined with the ability to undertake various tasks requested by our Senior Leadership Team (SLT), such as promoting anti-bullying and evaluating our learning through our knowledge rich curriculum to name but a few. More recently, the JLT conducted their own assembly feeding back to the whole school the tasks that they have undertaken throughout the year.

### **Welcome**

**Miss Pateman** joined Avocets as a Teaching Assistant on 9<sup>th</sup> May.

**Mrs McGee** will be joining as a Volunteer Teaching Assistant after half-term.

## Year 6 – Well done

There is so much to celebrate for our Year 6 this half-term. They worked hard for their SATS - most attended some of our morning Booster Drop-In Sessions, some attended all of them! Our Kitchen cooked up a storm with breakfasts each morning before the exams; toast, bacon or sausage butties, cupcakes with supportive messages, fruit bowls over flowing and Rosie brought in the best American choc-chip pancakes we've ever eaten!

They had the traditional Doughnut on Thursday to celebrate their last exam and a celebration disco on the Friday afternoon, with snacks, glow-sticks, selfie booth and Mrs Taylor's DJ skills! It was a very emotional day and there are some lovely photos on Dojo.

Love of learning, bright futures, happy memories!

## JUBILEE LUNCH ON FRIDAY 27/5/22

**Please note** that this is the only food offering available on this day. The lunch costs £2.30 as usual and is payable via ParentPay (Free to those in receipt of Free School Meals). The children will be eating outside on tables like a Street Party.

Children can dress up as a member of the Royal Family or come in the colours of the Union Jack.

## Jubilee Family Fun Day

30<sup>th</sup> May 10-12 and 12.30-2.30

Celebrate with WILDlings for a Jubilee themed Family Fun Day. Make crafts, play games, toast marshmallows over the campfire and explore nature. There will be lots of activities to keep you all busy. You can also build dens, look for bugs, play on the rope swing, make pies in the mud kitchen, try some mud sledging, or relax in the hammock.

Fun sessions for all ages, recommended from walking. Cost £5 per child and held at WILDlings woods on the Ken Hill Estate, Snettisham. Please message WILDlings to book in and always check the weather before your session, I will need to cancel sessions in high winds. Children must bring an adult and dress for the weather.

For directions, please see [wildlingsparties.co.uk](http://wildlingsparties.co.uk)

See you in the woods

**READING CHALLENGE** The closing date for this challenge is Friday 1<sup>st</sup> July. Please hand in your entries before this date. There will be prizes - Good luck!

## YEAR 3 & 4 COMPETITION

West Norfolk  
Academies Trust

### Half Term Home Challenge

### CALLING ALL YOUNG ARTISTS IN YEARS R-4!

This year is very special for Her Majesty The Queen as she celebrates 70 years of service.

To highlight this occasion, we are launching a special creative challenge that you can get involved in.

All you need to do is create a special Crown that you think the Queen could wear for her 70-year celebration, known as the Platinum Jubilee.

Your crown can be a physical crown or it can be designed on paper, so feel free to use all of your favourite materials to make it perfect!

**Entries should be submitted to the school office by Wednesday 7<sup>th</sup>  
June**

The winners from each school will be decided by Lady Dannatt MBE;  
Lord Lieutenant (the Queen's representative) for Norfolk.

## YEAR 5 & 6 COMPETITION

West Norfolk  
Academies Trust

## Half Term Home Challenge

### CALLING ALL YOUNG WRITERS!

Could you write a story of no more than 500 words about the Queen's platinum Jubilee to win a set of commemorative coins?

We are looking for students in years 5-7 across the West Norfolk Academies Trust to take part in our creative writing competition to celebrate the Queen's 70-year reign.

You can write your story about anything at all connected with the Jubilee.

Your story must include your **name, year group and school** and be presented as neatly as possible.

Entries can be sent to:

- [storycompetition@westnorfolkacademiestrust.co.uk](mailto:storycompetition@westnorfolkacademiestrust.co.uk) by the deadline.
- Stories can be handwritten and handed in to the school office by the deadline.

**Entries should be submitted by Wednesday 7<sup>th</sup> June**

The winners from each school will be decided by Lady Dannatt MBE;

# YEAR 5 & 6 COMPETITION

## Short story starting points

If you were King or Queen for the day, what would you do? How would you feel on your coronation day or Jubilee? How would you celebrate the day?

The Queen loves dogs and has many Corgis as pets. What would the Platinum Jubilee look like through their eyes?

Think about all the ways life has changed for people during the Queen's 70-year reign. Which do you think are the most important and why?

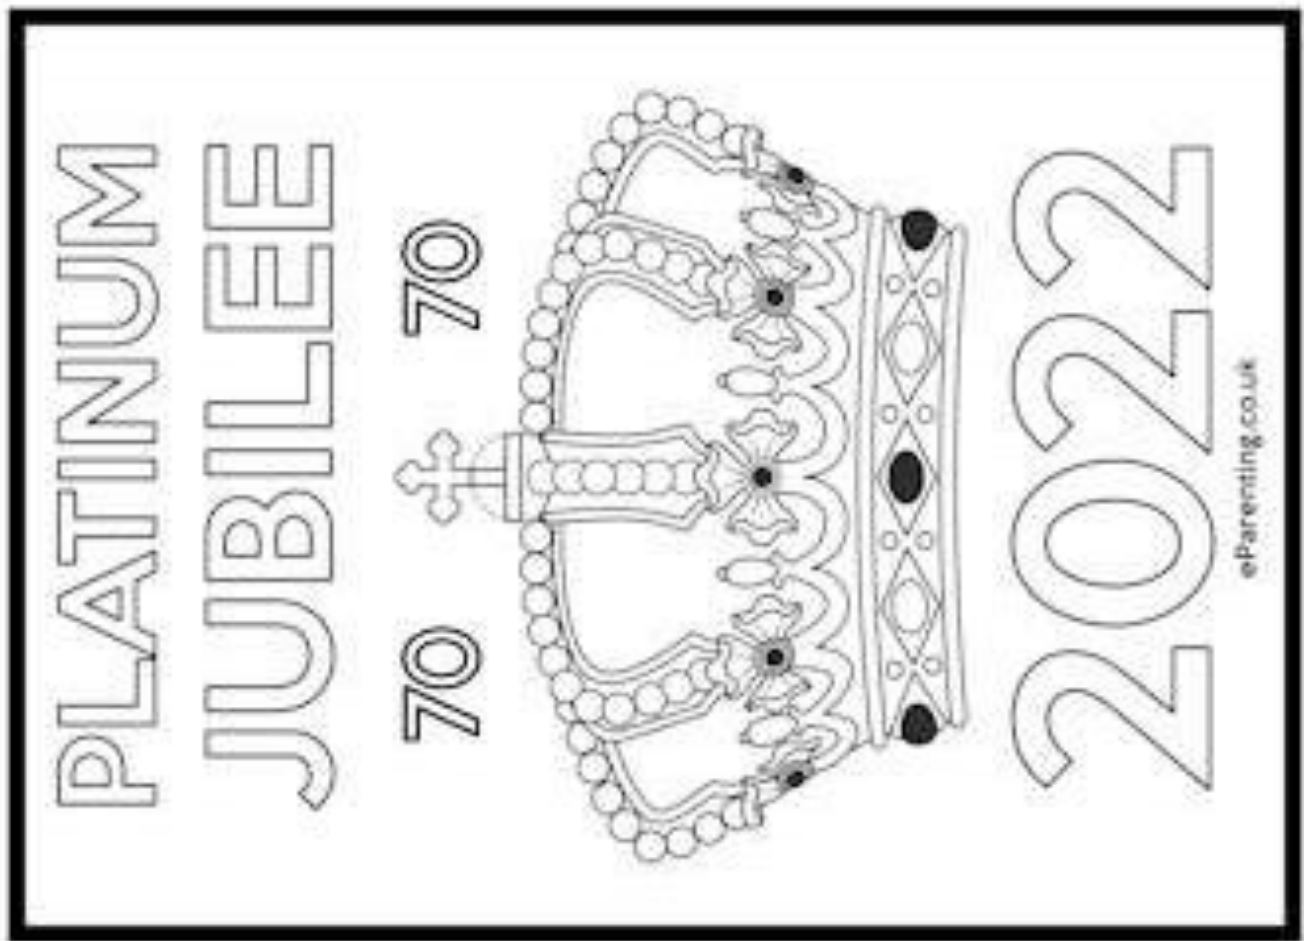

Thousands of years in the future, historians will look back on the long reign of Queen Elizabeth II – what will they say?

What would a Jubilee be like thousands of years in the future? Would it be on earth or in space? Would aliens be invited?

You are a Royal Mint designer and have been invited to Buckingham Palace to draw a picture of the Queen for a special Platinum Jubilee medal. What is like to meet her?

Street parties are a traditional way of celebrating a Jubilee. What would it be like if your street had a party for the Queen?

The Platinum Jubilee marks **70 years** of a monarch's reign. Queen Elizabeth II is the first British monarch to reach this milestone!

See if you can find all of these related words in the grid...

## Traditional English Trifle

### Ingredients

150g frozen raspberries

4 tbsp raspberry jam

600ml double cream

3 tbsp icing sugar

300g madeira cake , cut into 3cm pieces

120g custard cream biscuits

sprinkles and maraschino cherries, to decorate (optional)

#### For the jelly

6 gelatine leaves

150g golden caster sugar

1 lemon , zest pared and juiced

500g frozen raspberries

#### For the custard

800ml whole milk

1 vanilla pod , split

100g golden caster sugar

6 tbsp cornflour

5 large egg yolks

150g clotted cream

### Method

**Step 1** To make the jelly, put the gelatine in a small bowl and cover with water. Leave to soak. Meanwhile, tip the sugar, lemon zest and juice and 400ml water into a pan and simmer, stirring occasionally, until the sugar has dissolved. Add the raspberries and bring to the boil. Reduce to a gentle simmer and cook for 5 mins, or until the raspberries have broken down. Pour the mixture through a sieve into a jug. Squeeze any excess water out of the gelatine and stir through the raspberry mixture. Pour into the base of a large trifle bowl and chill for at least 5 hrs, or overnight.

**Step 2** To make the custard, heat the milk in a pan with the vanilla pod until steaming, then remove from the heat and set aside. Whisk the sugar, cornflour and egg yolks together in a bowl. Remove the vanilla and gradually pour the hot milk into the egg mixture, whisking constantly until well combined. Return to the pan and gently stir over a low heat until the custard has thickened. Stir in the clotted cream, pour into a bowl and cover the surface with a piece of baking parchment to prevent a skin forming. Leave to cool, then put in the fridge to chill until cold.

**Step 3** Put the frozen raspberries and jam in a small pan and cook for 5 mins until the raspberries have softened a little but are still holding their shape. Leave to cool. Whisk the cream with the icing sugar in a large bowl until it reaches a soft dropping consistency.

**Step 4** Arrange the cake pieces over the set jelly. Crush most of the biscuits, reserving some whole, and scatter over the cake layer. Whisk the custard to loosen, then pour over the biscuit layer. Top with the raspberry compote, pushing the whole biscuits into it around the edges of the bowl. Spoon over the whipped cream, then decorate with the sprinkles and cherries, if you like. *Will keep in the fridge for up to three days.*
