

Heacham Junior School INCLUSION and ACCESS PLAN 2020-21

Introduction

The Equality Act 2010 replaces previous discrimination law and provides a single piece of legislation covering all the types of discrimination that are unlawful. Schools and Local Authorities have to carry out accessibility planning for disabled pupils. The duties are the same as those in the previous Disability Discrimination legislation and have been replicated in the new Act. This document should be read in conjunction with the Trust's Equality Statement. In formulating this plan the School has taken into account the needs of all people who have a protected characteristic. The protected characteristics are defined in the Equality Act. These are Age (regarding staff not pupils), Disability, Gender Re-assignment, Marriage and Civil Partnership (regarding staff not pupils), Pregnancy and Maternity, Race, Religion Faith or Belief, Sex, Sexual Orientation.

Our school's accessibility plans are aimed at:

- **Improving the physical environment of schools to enable disabled and disadvantaged pupils to take better advantage of education, benefits, facilities and services provided**
- **Improving the availability of accessible information to families with SEN**

We recognise the need to provide adequate resources for implementing plans and will regularly review them.

Vision and values

Our School fully supports the vision of Norfolk Children's Services, namely: • We believe that all children and young people have the right to be healthy, happy and safe; to be loved, valued and respected; and to have high aspirations for their future. Our school endorses the Norfolk Inclusion definition that says: • Inclusion is the process of taking necessary steps to ensure that every young person is given equality of opportunity to develop socially, to learn and to enjoy community life.
