Newsletter

Dear Families,

We work hard at Heacham Junior School to make sure we have a broad curriculum that covers not only learning but wider personal development. We have strong provision for personal development at our school with planned and spontaneous experiences, roles and responsibilities open to all our pupils. To give you an idea of the possibilities I have added the enrichment map to this newsletter.

Most of these experiences are covered over the time we have at school – starting with Infants and moving through to Juniors. On top of this we plan additional opportunities in the school year such as our trip to the Houses of Parliament, our residential at Hilltop and the forthcoming visit from poet Karl Nova. There are also many clubs, competitions and events that take place through the year

including special visitors into class and assemblies.

We organise events and competitions at school and trust level so there are plenty of opportunities to promote individual interests and talents. Finally we also include life skills as part of our planned personal development, these are useful skills that promote independence, responsibility and independence – examples are tying laces and changing a duvet cover! If you have any ideas for new ideas for pupils and families then please get in touch.

Finally, on a personal note I am away from work briefly to have another hip operation. Emma Hunt will lead the schools in my absence, supported by Amanda Gibbins at Smithdon and Trust leaders. I plan to be back to work in March and look forward to seeing you then.

Best wishes

Louise Jackson

Executive Headteacher

Love of learning, bright futures, happy memories!

Our Learning

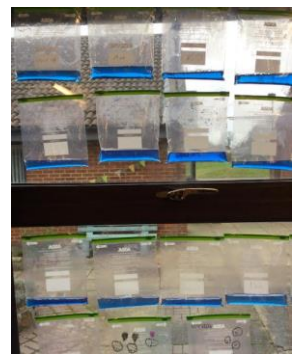

Year 3 – Oystercatcher

A great start to 2024! The children have been studying measurement in maths, converting measures as well as adding and subtracting units of length. As well as fraction, which they are grasping very well. In English, they have been looking at the beautiful book 'The Land of Neverbelieve' by Norman Messenger to explore information texts. As part of this work, they have written wonderful descriptions of creature. In science, they have been closely examining different types of rock including sedimentary, igneous and metamorphic. The children have really enjoyed learning about the parts of the body in French, including the eyes, ears and nose. In History, we have been continuing our learning of the Greeks finishing with a debate on whether Alexander the Great was good ruler and I was proud to see their oracy skills develop.

Year 4 – Avocet

Another great half-term Avocets! We have been investigating different states of matter in our Science unit. We enjoyed watching coke explode with Mentos! Avocets have impressive artistic skills. They have created some wonderful collages with contrasting materials. In English, we loved our last book 'The Boy at the Back of the Class'. Now we are reading our new book 'Varjak Paw' – the suspense keeps us on the edge of our seats! We have really enjoyed our time with Sam from Lynnsport this half-term learning about how to keep our minds and bodies healthy.

THE FRIENDS OF HJS

THE FRIENDS OF HJS raise funds throughout the year to pay for fun activities, rewards and gifts for our pupils. Their numbers are very low and we would very much like to see our PTA grow and continue.

We want to invite you to come to our next meeting just to see what's involved. We are keen to welcome members from families in our school. It requires very little commitment **but makes a big difference** to our pupils.

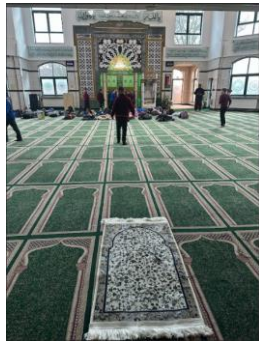

The next meeting will be in school on **Tuesday 5th March at 2.45-3.25pm**. Please do come along for a taster. If you would like more information please speak to Mrs Bridge in the office.

There are lots planned for next term – see the Diary Dates for events organised by the Friends. Maybe you'd like to help at one of these?

Our Learning (cont'd)

Year 5 – Albatross

We have had another busy half-term in Albatross Class; in history we've all loved learning about the French Revolution and how Napoleon became the Emperor of France meeting his match in British Admiral Nelson when he tried to conquer Europe at the Battle of Trafalgar! In geography, we've enjoyed learning about different regions of the UK comparing East Anglia with The Midlands, Yorkshire and Humberside; the children were tasked with investigating facts about Birmingham and why its industrious past played an important role in the industrial revolution - as well as the importance of the production of Cadbury's chocolate of course! We've also conducted some super science experiments in class testing the density of different objects and predicting whether or not they will sink or float based on their density. Amongst all of this, we've learnt about the beautiful art of Chinese painting using ink sticks and stones as well as visiting the Peterborough Mosque! Alive Lynnsport came in and delivered healthy body, healthy minds course which saw the children complete workbooks and learn some new practical games. Oh....and of course solving the case of the stolen trophy in Arithmetown! During the NSPCC Maths Day.

Year 6 – Royal Tern

Royal Terns have worked their woolly socks of this half term. We are very proud of them! In history, we have moved further into the twentieth century, learning about the Rise of Hitler and the Nazi Party, in geography we have travelled into South America, DT has seen us follow in the footsteps of James Dyson and design our own prototypes. In english we have learnt lots about the treacherous trail to Dawson City as prospectors headed north in their hundreds to hunt for gold – through the eyes of one of the trail dogs! In maths we have become so much more fluent in our arithmetic, tackled fractions, percentages and decimals along with TTRS which has seen great improvement in multiplication – keep up the good work!

Staffing

We have welcomed Ms Griffin to Year 5 and Breakfast Club this week. In Year 4, Ms Cornwell has gone on Maternity Leave (no news yet!) and Miss Pateman is covering.

AFTER-SCHOOL CLUBS

Next half-term we will be offering the following after-school clubs (see times below).

The importance of good attendance

The Government strives for **every pupil to achieve 97% attendance**. Every day away from school is a day away from learning and this can have an impact on a child's education and future accomplishments.

We want every child to enjoy school and achieve their potential in education and life beyond. We are always here to talk through any issues and help find solutions. Parents are always a phone call away if a child is too ill to continue their day, please encourage them to try to give the day a go, children often feel much better once they are in class.

The Government has issued new attendance guidance and targets to all schools, you may receive regular texts informing you of the number of days that your child has been absent in a term/year. The Government hope that this personal approach will make parents more aware of how the odd day adds up and help keep you informed.

Equality and Diversity Pledge

H - Heacham Junior School's Equality & Diversity Pledge

J - Justice for all students

S - Skin makes no difference

P - Prejudice will not be tolerated

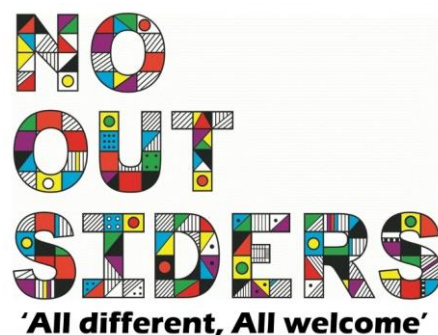

L - Let everyone have equal rights

E - Everyone should be respected and treated equally

D - Differences are important and should be respected

G - Grow together

E - Everyone is always welcome

PUNCTUALITY MATTERS!

Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

19 days lost a year through being late means 90% attendance.

missed minutes =
missed learning
= missed opportunities!

EVERY SCHOOL DAY COUNTS

Every Minute Counts!

That's two
school weeks

Lost Minutes = Lost Learning

Parents' Evening

Our spring term parents' evenings will take place on Monday 4th and Wednesday 6th March between 3:30PM and 6:00PM. These will be face to face by appointment in the hall.

Please message the staff listed below on Class Dojo this week to say whether you prefer a meeting between 3:30-5pm or 5pm-6:00pm and on which day. We will do our very best to accommodate your preferences.

Teachers will allocate you a time and send you this information in a Class Dojo message during w/c 26/02/24.

Meetings will take place in the hall, please come to the main entrance and make your way through to a seating area in the hall. Teachers will be able to share English and Maths books.

Please message:

Year 3 Oystercatcher Miss Kissock

Year 4 Avocet Miss Pateman

Year 5 Albatross Mr Agate

Year 6 Royal Tern Ms Enters

Year 6 appointments on Monday 6th will either be with Ms Enters or Mrs Clemente, if you have a preference of who you would like to speak with please state this in your dojo message

The children would benefit from a good breakfast and a morning snack on the days that they swim.

PLEASE WEAR A COAT.

Vouchers for Free School Meal Eligible Pupils – April 2023 to March 2024

Support was extended to March 2024 for pupils eligible for means-tested Free School Meals (FSM). Families who are eligible for Free School Meals will receive Edenred vouchers for April to August next month and then more in September. The Vouchers can be spent at many major retailers including supermarkets.

Families in hardship and needing wider support in addition to the offer of FSM vouchers for eligible families, there is support available for families who are facing hardship and need support. Anyone experiencing hardship may be able to receive support through the Norfolk Assistance Scheme (NAS), which may be able to provide support for food, fuel, clothes and other essential household items to families experiencing hardship. Families may get in touch with NAS via their website which includes an online application form, or they can call **0344 800 8020**.
