

## *Snettisham Primary, Heacham Infant and Junior Schools 20th April 2020*

Dear Parents and Carers,

This week we would have been coming back to school for the Summer Term. We miss you all and hope that you are safe and managing well at home during

this crisis. We know many of you are enjoying simple things like playing games, baking and gardening. We also love all the pictures you have uploaded on class dojo and display in your windows. However, we know it is a difficult time and we are trying to keep in touch with as many families as we can to make sure you are safe. Please contact us if you need help or know someone that does during this stressful time. Please call us on 01485 570357 and a member of the leadership team will

contact you back as soon as possible. Staff cannot look at messages through social media such as face book, so please don't contact them that way. Use the school email ([office@heachaminfant.norfolk.sch.uk](mailto:office@heachaminfant.norfolk.sch.uk)) or call school.

Our school provision for key workers and vulnerable children from all of our schools continues at Heacham Infant School. We have children from

Snettisham, Heacham Infant and Juniors every day. Please call us if you are a keyworker or think your children are vulnerable and need your children in school on some dates. If you need any help to manage or would like signposting to local agencies or need a food bank referral, then call us on 01485 570357 and a member of the leadership

team will contact you back. We would also like to know if any of our families have contracted Covid 19.

In case you haven't seen our websites, we have put together some useful resources to help with learning at home during the coming weeks on our school website. The home learning packs are not compulsory but we know many of you are enjoying the support and structure they provide. Go to:

<https://www.heachaminfant.norfolk.sch.uk/home-learning>

<https://www.heachamjunior.norfolk.sch.uk/home-learning>

<http://www.snettishamprimary.norfolk.sch.uk/home-learning>

You will see that learning projects are split into weeks focusing on maths, reading, writing, phonics/spelling and handwriting activities all based around a theme. The theme is the same across all age ranges to assist parents that have more than one child at our school. If anyone needs a hard pack, then please contact the Infant School directly.

We will continue to communicate using Class Dojo and upload videos via our Facebook pages/YouTube Channel

<https://www.youtube.com/channel/UCBmjV2UHpSIDz-pmZ5elHRA> so keep an eye out for these too! Finally, if you would like more structured lessons and have good internet and equipment at home, you would benefit from using Oak Online Academy which has 3 lessons each day for each year group and links well with our curriculum.

<https://www.thenational.academy/online-classroom>

We send our thoughts and wishes to you all and look forward to seeing you all again.

Kind regards,

Louise Jackson, Emma Hunt

And all the staff from Snettisham Primary, Heacham Infant and Junior Schools
